Description

This beautifully renovated 2 bedroom apartment is situated in the village of Seget Vranjica, right on the sea in an idyllic location just 5km west of Trogir (UNESCO Heritage Site). It is light and airy with stunning views across to a lighthouse as well as the island of Ciovo, and is surrounded by pretty plants and flowers. The sea is accessible via a little path at the side of the house and takes you to a selection of sunbathing platforms perfect for diving and lounging around in the crystal clear waters of the Adriatic.

The town of Trogir was founded by Greek colonists who came across from the Island of Vis. Today, the numerous cafes and bars along the water front are great to sit and watch the boats which are moored at the marina. Also Okrug Gornji on Ciovo Island is a great place to spend the day on the beach.
