Description

This property has truly spectacular views out across beautiful Lapad Bay and out to the Elafiti Islands... It features 4 one-bedroom apartments with twin beds and 1 studio apartment, all stylishly decorated and well equipped to satisfy all your needs while on holiday. The villa is a great choice for those who wish to enjoy the sun and the sea, and also be close to the night life and all the historical sites in Dubrovnik (the area of Lapad is well connected to the rest of the town via public transport). If rented as a whole the villa can fit a maximum of 15 people, making it a great base for groups.

Lapad Bay is considered to be one of the most beautiful parts of Dubrovnik and is a popular area with tourists and locals as it houses numerous cafés and restaurants along its promenade. Numerous beaches and rocky secluded swimming spots add greatly to its popularity. Lapad Bay is also perfect for those who prefer active holidays as its pedestrian areas are perfect for jogging or walking, while the centre of the bay also features clay tennis courts.

The villa's owners have spared no expense or effort in making the apartments an idyllic place to spend your holidays. Furniture is both stylish and practical and adds to the overall feeling of tranquility of the villa. White is the predominant colour and the warm Mediterranean sun lights up each entire apartment through the large living room windows. There are chairs and tables out on each terrace/balcony making them perfect spots for enjoying the romantic summer evenings. Each apartment is fully air-conditioned and features among other things, a kitchenette, bathroom with hydro-massage shower cabin, satellite TV, living/dining area with access to the terrace, and a safe for storing your valuables.
