

CROATIA GEMS

Villa Gaia, near Porec, Istria

Sleeps 4 | 2 Double Bedrooms | 1 Bathroom

Description

This pretty villa is tucked away in the sleepy village of Gambetici, adjacent to a farm, 20kms from the coastal resort of Porec. The interior is beautifully finished; the owner is an artist and has spent a lot of time making unique pieces for the property, including the stunning handmade tiles in the bathroom.

The Istrian Peninsula is the largest Croatian peninsula and is one of the best-developed tourist regions on the Mediterranean. Referred to as the new Tuscany, it certainly has that feel about it - lush countryside and fairytale, hill top towns like Motovun or Buzet...wine tasting, truffle forests and olive oil are staples of this area.
