### Description

Ivana's House is tucked away in a quiet corner of the old town, close to all the lovely restaurants and shops and yet far enough away from the noise of the Stradun...

The 1st floor has 2 bedrooms one a double and one a twin + a bathroom ( Bath). The double bedroom has a small balcony which in itself is a rarity in the old town, both bedrooms have air conditioning

Downstairs there is another bathroom with shower, ( w/machine) and an open plan living area with Kitchen/dining facilities

It also has a small outside area where you can relax with a glass of wine again a rarity in the old town where space is a premium

The city walls make a spectacular walk, and boat trips to the near by Elafiti Islands are easily accessible from the nearby harbour - as are trips to other areas of the Riviera.

**The Old town is full of steps so might not be suitable for anyone with disabilities**
