Description

Ivana's Studio is tucked away in a quiet corner of the old town, close to all the lovely restaurants and shops and yet far enough away from the noise of the Stradun...

The studio is lovely and airy, with a small balcony unusual for the old town.

The city walls make a spectacular walk, and boat trips to the near by Elafiti Islands are easily accessible from the nearby harbour - as are trips to other areas of the Riviera.

The Old town is full of steps so might not be suitable for the elderly or with mobility problems
