Karmens Apartments, Dubrovnik Old Town

Sleeps 2 to 4 | 2 x One Bedroom plus Sofa bed apartment

Balcony (Bigger Apt)

Description

Karmens Apartments consist of 2 one bedroom apartments side by side on a very quiet little street just outside the city walls of Dubrovnik's Old Town. One is slightly bigger than the other and has just been modernized. The other is smaller and a little more basic.

Just inside the city walls, the apartments are on a narrow street about 5 minutes from the Stradun (the beautiful main street in the Old Town). This is the perfect place to explore the rabbit warren of streets in the town (and of course to try out the countless restaurants!) This is a fabulous location at any time of the year allowing you to experience the life of a centuries old citadel. The Old Town does have a lot of steep steps so this property may not be suitable for people with mobility problems.

Guest Reviews

"My partner and I had a fab time; the apartment was located in a fantastic position just outside the city walls (Dubrovnik Old Town) within walking distance to the beach, local restaurants and shops. Before booking this apartment we were a little worried that being outside the city would be a problem but upon arrival we were pleasantly surprised at how close it was (2 mins) and in fact it worked better being outside the city as we managed to get away from the crowds.
