

## Villa Laguna, Dubrovnik Riviera

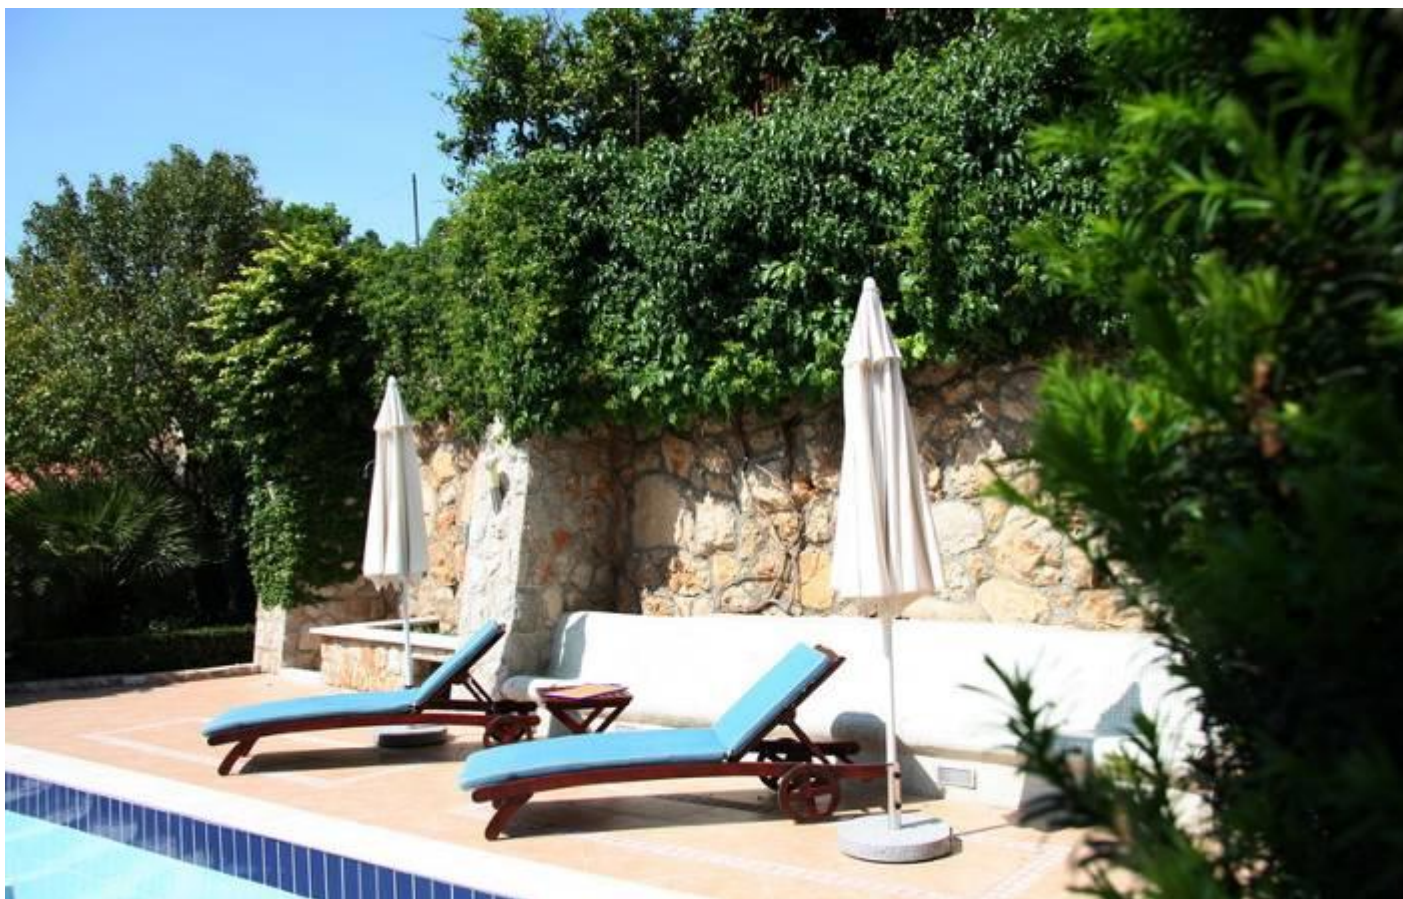

Sleeps 4 + 2 | 2 Bedrooms | 1 x Double + 1 x Twin | Double Sofa Bed in Lounge

### Description

This delightful villa overlooks the Lapad and Gruz areas of Dubrovnik and has the most stunning views only a few minute's drive from Dubrovnik. It has one lovely double bedroom and a twin bedroom, with a double sofa bed in the living room if required - perfect for a small family group. It also benefits from a pool and provides the perfect escape from the crowds at the end of the day. The summer kitchen is ideal for cooking al fresco and a vine covered terrace nearby provides some welcome shade from the sun. Dubrovnik Old Town is about 10 minutes drive away – a must see indeed. And the bays and beaches of Lapad are just across the harbour - being so close to the harbor itself means you can do the half hour hop to one of Dubrovnik's three islands for the day very easily! These islands have no traffic, just have wonderful sandy beaches, beach bars and lovely little traditional restaurants – very relaxing.
