Description

Villa Lena lies in a beautiful spot across the street from the sea in an idyllic village, near Konavle just south of Dubrovnik and close to Montenegro. The village itself is a well kept secret and the stuff of memorable holidays - its atmosphere, crystal clear swimming spots, little bistros serving gorgeous local wine and rolling tuscan-style countryside are to die for. The villa itself is perfect for groups or families – it has all the facilities you need for a great holiday – wander down to the sea edge and swim or sunbathe peacefully by the water on the terrace. Enjoy barbequeing fresh fish of an evening and dine al-fresco under the sunset...

If you fancy getting out and about, there's a lot to see and do in the area – boating, horseriding etc..If all that doesn't tire you out then you are, of course, just 45 minutes from the Old Town of Dubrovnik – a must see...There is also a horse riding centre nearby and countless interesting places to visit nearby – if you don't have a hire car, just let us know and we can organise a private driver for you to take a look around this spectacular area. Why not take a trip to Montenegro for a day?
