

CROATIA GEMS

Lila Cottage, Island of Hvar

Sleeps 8 (2 x 2 bedroom apartments)

Description

Lila Cottage is perched right on the sea edge nearby the famous town of Hvar. This is a beautiful spot from which to enjoy the serenity Hvar is well known for - Hvar Island is filled with lavender, rosemary, orange and olive groves and sapphire bays perfect for swimming! This is a lovely spot and off the beaten track so expect pebbly tracks down to the bay and natural environment. The house is situated in a beautiful bay, some 6 km from the town of Hvar.

If you want to combine its wonderful charm with a charming, yet sophisticated town the Hvar Town is the perfect place for you. Hvar is the sunniest island in the Adriatic and there are many idyllic little towns and villages to discover. Perhaps the most interesting and beautiful, is Hvar Town; prehistoric and early stone-age relics have been found as well as an Illyrian settlement. Many of the buildings and walls in the town date from the 16th century and there is a Venetian fortress to the north east. Perhaps the most impressive and lovely is the renaissance town square paved with marble...

Some of the best beaches are to be found on the Pakleni islands just 10 minutes in the water taxi from the harbour. The little island of Palmizana, for example, is surrounded by a thick pine forest and fragrant rosemary shrubs and has many coves to discover – just wander around and find your perfect spot!
