

CROATIA GEMS

Villa Mare, Dubrovnik, Dubrovnik Riviera

Sleeps 2 to 6 | 9 Apartments

Description

This villa is just 250 metres from the sea (100m as the crow flies) with a swimming pool on the beautiful Lapad Peninsula. The villa consists of 9 apartments (6 x 1 double bedroom apartments and 3 x 2 double bedroom apartments) and has a quiet location, and yet is just a short walk from all the local amenities...

The apartments are modern and comfortable, are fully air-conditioned and have satellite television and terraces facing either beautiful park or sea views. It is possible to use some apartments together as they have interconnecting doors – 2 of the 2 double bedroom apartments share a floor and can be used as one, sleeping 8 to 10 people.. Balconies are shared. There is a pool area with sun beds on the terrace where you can relax with a drink or just cool off with a dip. Dubrovnik is one of the most beautiful cities on the Croatian coast. In the Middle Ages the Republic of Dubrovnik was an important rival of Venice. Many buildings in the old city centre testify of this glorious past and to its Venetian influence. The coast nearby offers all sorts of activities and the town has many lovely places to eat and drink – you can't fail to be impressed by the whole area...
