Cavtat Old Town Riva

Cavtat Old Town Promenade

With its waterfront bars, cafes, shops and restaurants – the location is ideal. Cavtat is loved by all who visit – a real ‘gem’, untouched and full of history, where freshly caught seafood and delicious local wines are on offer at the lovely local eateries, and picturesque coves and old-worldy little streets are aplenty.

Cavtat is 10 minutes from Dubrovnik airport and 20 minutes from Dubrovnik Old Town and apart from being beautifully scenic, the area has something for everyone - local activities include wakeboarding, water-skiing, swimming, shallow-water and deep-sea fishing, sailing, motor boating, scuba diving, snorkeling, walking, mountain biking, tennis, beach activities etc
