### Description

This lovely villa is situated on Ciovo Island, only 10 minutes drive from the Unesco heritage site of Trogir! A beautiful medieval town, Trogir is a bustling and pretty town, close to Split and an inspiring place to visit. This untouched part of the coast line offers you miles and miles of walks around the island, small secluded beaches, fishing, snorkeling and diving. It's a superb environment that will capture your imagination and your heart, as well as rejuvenate your soul!

If *feeding* the soul is more your thing, there are a few little restaurants and bars nearby the villa or pay a visit to the market in Trogir and bring back some fresh fish and vegetables to BBQ! In the medieval town of Trogir you will find a scrumptious fruit market and countless shops and restaurants. Take an evening walk through tiny streets and squares and enjoy great sea food and Italian ice cream! Or if you're visiting during the Trogir Summer Festival, you can enjoy Classical concerts in the cathedral, or Jazz nights on Radovan square.

The villa itself sits right on the sea edge and has absolutely stunning views... It has two double bedrooms and two twin bedrooms all en-suite, living room and fully equipped kitchen. But then there are the terraces...there are two terraces one around the house the other on the roof with fabulous views - the terrace looks out over the sea, and are perfect for that alfresco glass of wine. It also benefits from a pool and boat mooring.

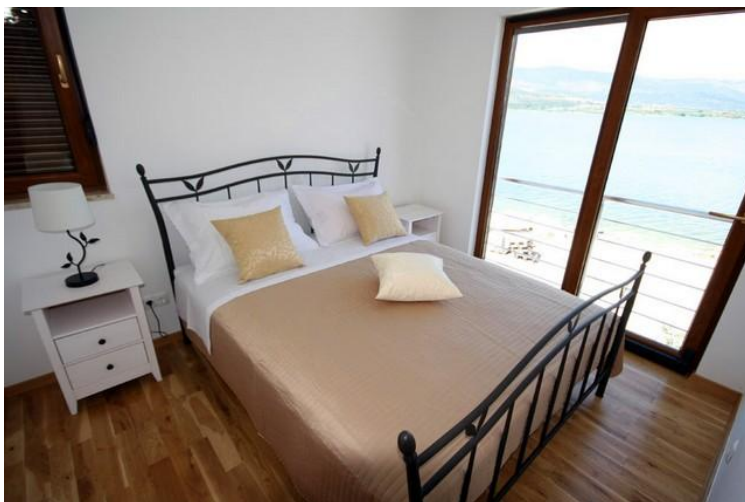

In front of the property, you can swim in the crystal clean water - Situated yards from the sea edge, the property could not be better located - sitting on the balcony of the villa is almost like sitting on the deck of a boat!

If you want to explore further a-field then you can take a take a ferry boat to a nearby island, visit Krka National Park for the day or head to split...But if rest and relaxation is what you are after, just arrive at the villa and begin to unwind...
