Brac Island

This island of stone, sea and sunshine is the largest in central Dalmatia. Brac Island has craggy shores and brown rocks, but also boasts wonderful beaches, such as Zlatni Rat (Golden Tongue), considered by many the most beautiful beach on the Adriatic, is close to Bol, at the foot of Vidova Gora. The beach is a natural phenomenon and according to the movement of the wind and waves, its tip moves to the left or right.

Zlatni Rat is one of the best Adriatic wind-surfing locations. A free-style competition, which has become part of local tradition, is held here every year and now forms part of the official World Cup calendar
