Description

Palm Tree Garden Apartment is a luxury property located on Ciovo Island, 10 minutes from the historic town of Trogir between the villages of Arbanija and Slatine. A beautiful medieval town, Trogir is vibrant and close to Split - an inspiring place to visit.

This untouched part of the coast line offers you miles and miles of walks around the island, small secluded beaches, fishing, snorkeling and diving. It's a superb environment that will capture your imagination and your heart, as well as rejuvenate your soul!

The apartment has a superb position, right on the tranquil sea – just wander through the arch and out onto the white pebbly beach. Lounge on the terrace or take a walk to a nearby restaurant – this is a great place to relax. The apartment has a terrace looking over the sea, perfect for lazy summer evenings with some very more-ish, local, organic wine! The apartment itself is integrated into the garden of the larger Palm Tree Villa but retains its own space and privacy.

The medieval town of Trogir is 10 minutes drive away where you will find a scrumptious fruit market and countless shops and restaurants. Take an evening walk through tiny streets and squares and enjoy great sea food and Italian ice cream!

Guest Reviews

"I just wanted to let you know what a fabulous time we had in Croatia, the villa was amazing and Matko and his partner were the perfect hosts and were extremely welcoming and helpful, from taking us food shopping and helping us translate and pack to sorting out a minibus driver for our party of 11 all weekend. Trogir was a beautiful part of the world and I will definitely be visiting Croatia again. Thanks again for all your help in organizing our trip I will definitely recommend your company to anyone visiting Croatia." Kate 2010

"Just to let you know that we are all home after a great holiday and to thank you for sorting us all out. We would certainly recommend Croatia Gems to anyone. The car hire was excellent. We were particularly impressed with the villa. I would love a copy of your next brochure 2011 as we would love to do Hvar and Korcula." Anne S 2010
