Description

Mlini is a very pretty and peaceful little fishing village just 10 minutes drive outside the beautiful old town of Dubrovnik. Mlini is protected by high mountains, and pine, cypress and olive trees surround the bay - it is very attractive village with a little harbour and a lovely old stone houses with terracotta roofs. Little cafes and restaurants, all situated close to the villa, are perfect for watching the sun go down in and, of course, for enjoying freshly caught fish and local wine! Mlini also has wonderful pebbly and rocky beaches with calm, clear water to revive your spirits... Other available activities in Mlini include sailing, scuba diving, water-skiing, and hiking. And if you've had enough of rest and relaxation there are regular boats and buses to Dubrovnik Old Town as well as to the nearby town of Cavtat.

"I cannot thank you enough for the holiday you arranged in mlini, it was exactly what we wanted, despite the apartment being a little dated, the place, the people and the travel arrangements were perfect. We are looking to go away in september if the pennies will stretch and wondered if you did any other destinations on a par with this one or had a brochure you could send me..Thanks once again, I will look forward to hearing from you " Clare Sykes
