Further details

Novigrad is perfect for a relaxing and quality holiday for all the family. The tourist resort of Novigrad, situated on the west coast of Istria, stands out among the many Istrian towns by its unique natural beauty, rich cultural heritage and the great hospitality of its people. The town also boasts one of the cleanest seas in this part of the Mediterranean (blue flag). The town is famous for top-quality olive oil and great restaurants (especially famous for quality fish and truffle dishes).

The historic core of the town of Novigrad lies on a promontory that was once an island which was connected with the mainland in the 18th century. The well-preserved town walls are one of the most attractive symbols of this tourist resort. For those wishing to self-cater there are a number of top quality local supermarkets, bakeries, wine shops and markets that sell everything for the perfect meal.
