Description

Villa Romantica is the perfect location for that escape from the daily grind. Located just 1 km from the center of Supetar on Brač, in a beautiful secluded bay. Enclosed by farmland of 2,000m², with olive groves and vineyards, organically grown fruits and vegetables for guests, Mediterranean vegetation and plants. It's the ideal place to unwind with some home cooked food and a glass of wine.

The cottage is constructed of traditional Dalmatian stone house with views to the bay nearby, there are some lovely walks along the coast and through the pine woods, olive roads, walkways and trails for recreation. It provides peace and quiet; you can even hear the waves, birds and crickets from the pine forests.

All the rooms are on the same floor. There are 2 bedrooms, a bathroom, a kitchen, a sitting room, a dining room and a terrace of 50 m². In the garden there is a Jacuzzi of 4.5 m², a small playground, a swing and sun decks. In Supetar and the surrounding area there are many restaurants, Dalmatian taverns as well as a ranch at a distance of 500 m.

This island of stone, sea and sunshine is the largest in central Dalmatia. Brač Island has craggy shores and brown rocks, but also boasts wonderful beaches, such as Zlatni Rat (Golden Tongue), a spectacular jewel of nature. The limestone karst and scrub alternate with fertile fields in the interior and pine woods on the heights. Villages scattered along the coast and in the interior of Brač Island are like stone monuments, guarding the rich heritage of the past centuries. Brač Island has had many rulers during its history, but its spirit remains unchanged and is best expressed in its most enduring product – the famous Brač stone. Some of that spirit has been incorporated in historical buildings, such as Diocletian's Palace in Split, and more modern edifices, such as The White House in Washington.
