## Sea Pearl, Drvenik Mali Island, Nr Trogir

Sleeps 4 + 4 | 2 x double bedrooms and two double sofas 1 Bathroom with shower

### Description

This little rustic house is located right on the edge of the sea on the island of Drvenik Mali 8 nautical miles from Trogir. It's only a small island (12.07km<sup>2</sup>) and has a population of 54! Little bays surround the cottage and the water around the island is quite shallow making it ideal for fishing and paddling! Olive Groves cover the island and the ferry from Trogir comes across three times a day. This cottage is idyllic if you are looking for tranquility and want to escape the hustle and bustle of everyday life. Although it is close to the mainland, this cottage has that "off the beaten track" feeling...deliciously relaxing...however we'd advise that you have some form of transport so that you can get around and shop etc.
