Description

Villa Seget is the perfect place for those who revel in idyllic atmospheres, cosy rooms, and above all authentic Mediterranean cuisine, prepared in the traditional way. Set in the small fishing village of Seget Donji just 4km from the Unesco heritage site of Trogir.

The rooms are offered inclusive of breakfast and the restaurant downstairs can provide everything from a delicious variety of home made pastries to a full a la carte menu .There is also a fish restaurant and an extensive wine menu. For those of you who wish to arrive by boat they also have their own mooring spot.

There are some gorgeous places worth visiting while staying in Villa Seget; The medieval town of Trogir was founded by Greek colonists who came across from the Island of Vis. Today, there are numerous cafes and bars along the water front where you can sit and watch the boats in the marina and wonderful restaurants tucked away in its winding streets.
