CANYONING

For thousands of years the Cetina River has been shaping the canyon, creating miraculous forms in the stone of its river-bed. The crystal-clear river with temperatures pleasant enough for swimming, offers you a true experience of untouched nature with up to 180 metres high cliffs, cascades, lakes, underground tunnels and the 40 metre high waterfall named Gubavica... The guide gives you the life-jacket, the helmet and the diving-suit, and your small expedition group is ready to venture into the unknown. As you slowly descend into the canyon, the sound of the river becomes louder and louder and after about ten minutes of walking you find yourself in the depths of the Cetina River canyon. You walk through the river and its currents, pass through the underground tunnels, bath in the natural pools, visit waterfalls and lakes...

Price 350kn (Approx £44) per person

Transfers (if needed) **230kn (Approx £29) per person**

EXTREME CANYONING

Walking through the river and its currents, jumping into the natural pools formed in the stone of the river-bed, bathing in crystal-green lakes are also disciplines of canyoning. But if you want more excitement you have to face going down the biggest waterfall on the Cetina River. Do not worry, you can do it without any particular experience or knowledge. Leave it to the well-trained instructors who will, by using climbing equipment, take you down the 50-metre-high waterfall named Gubavica.

Price 430kn (Approx £54)

Transfers (if needed) **230kn (Approx £29)**

CANOE SAFARI

The canoe safari excursion is ideal for all generations. All age groups will enjoy the easy rowing through the calm parts of the Cetina River. The colourful landscape of the river winds through the fields and offers you a chance to relax as you float along in the canoe. It is also possible to organize excursions at night time! You can also ask to include lunch or dinner by a camp fire into the excursion!

CANOE ADVENTURE

Peaceful parts of the Cetina River and the rapids (first and second degree difficulty level) interchange during this four-hour long adventure. The currents are ideal for beginners and all you need is resourcefulness to enjoy going down the river...

Price 350kn (Approx £44)

Transfers (if needed) **230kn (Approx £29)**

SEA KAYAKING

If the river does not attract you and, on the other hand, you are fed up with beaches, then an ideal excursion for you is sea kayaking. About half an hour of slow rowing, will take you to the pebbly isolated beaches that are possible to reach only by sea. You will explore the spring of the under ground river, caves and pits, and bathe in the crystal blue sea...

Price 350kn (Approx £44)

Transfers (if needed) **230kn (Approx £29)**

PAINTBALLING

We can organize paintball on almost all Croatian islands, and on a dozen locations on the mainland.

RAFTING

White-water rafting is a discipline that has to be experienced by anyone who considers himself an adventurer. To get down the foaming river all you need is the will and the swimming skill. If you listen to your guide's instructions about how, when and how hard to row, or when to throw yourself into the raft and hold tight, you will have an adventure that you will brag about and remember it for a long time!!

Price 350kn (Approx £44)

Transfers (if needed) **230kn (Approx £29)**

FREE CLIMBING

Free-climbing an instructor is a completely safe sport and almost everyone can try their hand at it. It is important that, with the help of your instructor, you choose the route that suits your abilities and you will enjoy the climbing as much as the experienced climbers do. Face the fear!

TREKKING

Experience the uniqueness of where the sea meets the mountains. This trekking programme includes visiting the mountains of Mosor, Kozjak and Biokovo. We can also organize trekking on almost all of the Dalmatian islands. Routes depend on your ability.

MOUNTAIN BIKING

Mountain bikes are a great way of exploring some of what Croatia has to offer. They can be hired either daily or for the week
