

## Villa Supetar, Island of Brac, Split Riviera

Sleeps 7 + 6 | 3 Double Bedrooms, 1 Single bed and 3 Sofa beds | 3 Bathrooms

### Description

Situated in a horse-shoe cove, Villa Supetar fascinates with its tame simplicity. Everything here is close at hand and made to measure: restaurants, shops, banks, post offices, market, cinema, library and various sports facilities... Your stay here will be made even more interesting by the free concerts, theatrical shows, folklore festivals and numerous other events which are organized as part of the Supetar Summer of Culture.

Being very well-connected with Split via a direct ferry line (more than 14 trips daily during summer), Supetar is an ideal destination for all those who are looking to benefit from the rich monumental heritage and natural beauty of Central Dalmatia's mainland (Diocletian's Palace, Trogir, Salona, Klis, Vranjaca Cave, Cetina Canyon, Krka Falls, Sibenik Cathedral...), enjoying at the same time the charms of a small island town. We should also mention the numerous opportunities for walks and excursions on the island: Blaca desert, Vidova Gora, Zlatni Rat, Museum of Brac in Skrip, stonemasonry school in Pucisca... Every place on the island of Brac has its own beauty and appeal.

The villa can be rented as one whole unit or three separate apartments divided between two houses.

**Bigger House** – two similar apartments (upper one has an opening to the swimming pool terrace) each consisting of an open plan kitchen, one double bedroom, sofa bed in the living area and bathroom with shower

**Smaller House** - open plan kitchen, one double bedroom with additional single bed, sofa bed in the living area and quality finish bathroom with shower

**Outside** – nicely landscaped garden full of Mediterranean greenery, swimming pool, outside terrace, BBQ, summer kitchen and traditional konoba

The Island of Brač is the longest and most elevated island in central Dalmatia, 48km long and 14 km wide. Tranquil coves, stunning sea and island views, traditional villages clinging to steep valley sides and bustling fishing harbours (like Supetar, Milna or Sumartin) make Brač the quintessential Dalmatian island, and the third largest of Croatia's Adriatic islands. It's easily reachable by ferry from Split or Makarska in 45 minutes and is a great place to spend a family holiday or partake in a few water sports!
