Description

This charming 4 bedroom villa is located in the village of Mlini, and boasts a wonderfully sculptured garden with a pool and covered seating area with sea view. It is just 10 minutes drive from the stunning Old Town of Dubrovnik and a short wander down the lane, through the beautiful pine and evergreen, to the beach. From there you can wander along the promenade into the pretty village of Mlini where you will also find cozy restaurants, taverns and cafe bars!

Mlini is a lovely location to spend a holiday! It is a fishing village with lovely old stone houses set around its little harbour, with terracotta roofs and fishing boats. You could easily spend a week here relaxing and sipping local wine and making the most of what Mlini has to offer. It isn't necessary to hire a car as everything is on your doorstep!

There is a small grocery store close to the house, while a bakery, general store and metres further on there is a post office, a bank and a large supermarket. Mlini also benefits from boat trips which run to the lovely local Elafiti Islands and also from water taxis which run to and from the old town of Dubrovnik from May to October. There are also regular bus lines to Dubrovnik or Cavtat stop close to the house.

Inside, cosy living room with a satellite TV and DVD player provides for a perfect venue in which to relax with family or friends. Guest Reviews

"We had a great time in Croatia. We liked Mlini and the villa we stayed in was extremely comfortable and probably above our expectations in most respects. As we were a party of 4 (two couples) the villa was pretty spacious for us. We did some boat tours and also some car excursions further afield but overall you didn't need a car for this villa location. Dubrovnik was perfect at the time we went, busy but not overrun I guess it gets a little overcrowded in July/August. The other thing we liked was staying a few miles outside Dubrovnik which for us was perfect as we away from all the tourist hubbub but close enough to take the bus or boat in when we wanted.... the beach is 3 mins across the street so we liked the location a lot!"
