Villa Turquoise, Island of Brac

Whole Villa: Sleeps 12 | 6 Double Bedrooms | 4 Bathrooms (Or book individual double rooms)

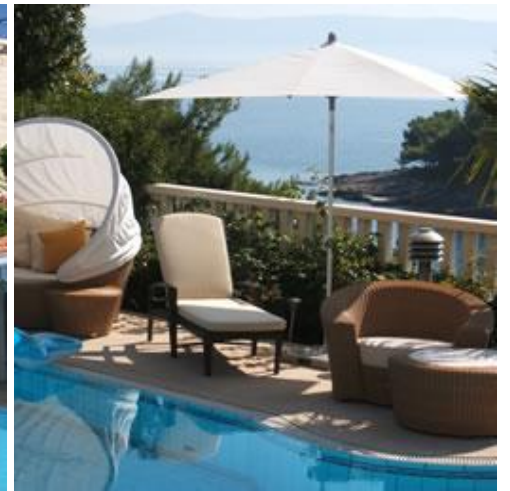

Description

Villa Turquoise is situated in a gorgeous and peaceful spot on the eastern side of the beautiful island of Brac just 30 metres from the sea. With great views of the Dalmatian coast, the Island of Hvar and the Makarska Riviera from the balconies and sumptuous pool, it's the perfect place to relax. The little pebbly beach along with pretty little sunbathing platforms and rocks to dive into the sea from are easily reachable down steep steps but if all that sounds too much like hard work then just lounge around the pool!

If you are in need of some activity, the villa is approximately 20 minutes walk from the village of Sumartin – guests are welcome to use the villa bikes to get around. Makarska on the mainland is easily accessible in around 45 minutes on the ferry and makes for a good day trip, or why not hire a car and explore the island itself? Bol, famous for its sensational, long beach is close by and a must-see...

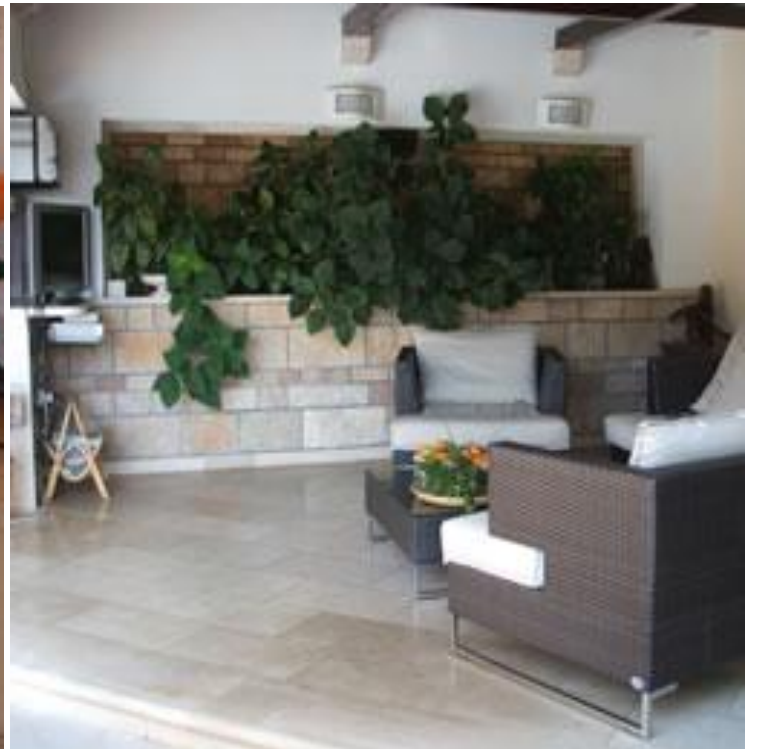

This is a catered villa and is run by a lovely Croatian family who live on the ground floor (normally just the mother of the family is there and your privacy is respected at all times), and therefore the perfect place to experience uncomplicated Croatia. The family want you to make yourself at home and are wonderful hosts... The owners cooking is very popular with guests who normally prefer to eat at the villa rather than at local restaurants - the guest book is filled with praise for the superb local and traditional specialities served up at your request...!

Halfboard includes drinks with breakfast but not with dinner- there is a price list for drinks and a great collection of Dalmatian wines which are also stated in the price list. There is also an outdoor kitchen with a bar station open all day long and there is always someone around if you need anything. You can ask for snacks/sandwiches etc. There is no a la carte menu for lunchtimes specifically – if you would like a lunch (a huge meal!) then you would just need to ask a day in advance so that they can prepare it. The meals are all deluxe and the guest book entries all refer to the owners great cooking. Any vegetarian guests will also be catered for. Breakfast is available from 8-11am.
